PROGRAMACIÓN

The image shows a programming environment for a LEGO Mindstorms robot. At the top left is a toolbar with icons for home, library, ideas, camera, pencil, and help. At the top right is a Bluetooth connection button with a robot icon. The main workspace contains several code blocks:

- A large yellow block with a green flag icon, containing a sequence of four blocks: a yellow block with an envelope icon labeled "Adela..", a yellow block with a timer icon labeled "3", a yellow block with an envelope icon labeled "Atras", and a yellow block with a timer icon labeled "2".
- A yellow block with a "R" key icon, followed by two green blocks with a robot head icon and a circular arrow icon, labeled "5".
- A yellow block with an "S" key icon, followed by two green blocks with a robot head icon and a circular arrow icon, labeled "6".
- A yellow block with an envelope icon labeled "Adela..", followed by a green block with a robot head icon and a circular arrow icon, and then two green blocks with a robot head icon and an "X" icon, with a small orange block below them.
- A yellow block with an envelope icon labeled "Atras", followed by a green block with a robot head icon and a circular arrow icon, and then two green blocks with a robot head icon and an "X" icon, with a small orange block below them.

On the right side, there are three icons: a magnifying glass with a plus sign, a magnifying glass with a minus sign, and a four-way arrow icon. At the bottom right is a yellow button with a red square icon.

At the bottom is a toolbar with various icons: a red block with "123", a red block with a plus sign and "123", a red block with a crosshair, a green flag icon, a yellow block with a robot head icon, a yellow block with an envelope icon, a yellow block with a timer icon, a yellow block with a circular arrow icon, an orange block with a robot head icon, an orange block with a robot head icon and a circular arrow icon, and a blue block with a microphone icon.

At the bottom right is a table showing the number of blocks of each color used:

	10		0
	0		8
